Randolph Building

Alexandria, VA 22314

Sir:

In accordance with 37 C.F.R. 1.76(c), Applicant submits herewith a Supplemental Application Data Sheet [hereinafter SADS].

Applicant notes that the executed declaration, which is presented in both the English and German languages, has a typographical error on the English language side with regard to the first inventor's surname. That is, the English language side identifies the first Inventor's surname as "SCHWARTZ," rather than "SCHWARZ," as it correctly appears on the German language side and on the transmittal filed with the application.

Moreover, as the Official Filing Receipt from the U.S. Patent and Trademark Office appears to have captured the inventor's names from the English language side of the declaration, the attached SADS shows a change of the inventor's name from "SCHWARTZ" to "SCHWARZ" in order to clarify the record and ensure proper designation of inventorship.

Accordingly, entry of the attached SADS is requested.

If there are any questions with regard to this submission, the Examiner is requested to contact the undersigned at the telephone number listed below.
